

# Ballad of Mighty I – Noel Gallagher's High Flying Birds

Followed you down to the end of the world  
To wait outside your window  
In the heat of the rain  
I would call your name  
But you just passed me by  
If you put me up like a fly on the wall  
Then you'll be to blame when the heavens fall  
Give me a sign if you hear me call  
But you just pass me by  
The colours around me are fading away  
And I'll be waiting, come what may  
I'll find you (I'll find you)  
Yes I'll find you (Yes I'll find you)  
If I've got to be the man  
Who walks the earth alone  
I followed the stars and I sailed to the sun  
I held it in my fingers  
Alone on the beach, on my own out of reach  
When you just passed me by  
I'd give you the world if you'd take my hand  
But you left me alone in the sinking sand  
Strike up the band for one last stand  
But you just passed me by  
Show me the rules of the games you play  
And I'll be here waiting, come what may  
I'll find you (I'll find you)  
Yes I'll find you (Yes I'll find you)  
If I got to be the man who walks the earth  
I'll find you (I'll find you)  
Yes I'll find you (Yes I'll find you)  
If I've got to be the man  
Who walks the earth alone  
I've followed you now to the end of the world  
To wait outside your window  
In the heat of the rain I will call your name

But you just pass me by  
Wherever you run I'll be on your tail  
Whatever you're hiding behind your veil  
I'll find you (I'll find you)  
Yes I'll find you (Yes I'll find you)  
If I've got to be the man who walks the earth  
I'll find you (I'll find you)  
Yes I'll find you (Yes I'll find you)  
If I've got to be the man  
Who walks the earth alone
