

Chasing cars - instrumental – Noelle Johnson

We'll do it all
Everything
On our own
We don't need
Anything
Or anyone
If I lay here
If I just lay here
Would you lie with me and
Just forget the world?
I don't quite know
How to say
How I feel
Those three words
Are said too much
They're not enough
If I lay here
If I just lay here
Would you lie with me and
just forget the world?
Forget what we're told
Before we get too old
Show me a garden that's bursting into life
Let's waste time
Chasing cars
Around our heads
