Come away with me - Norah Jones

Come away with me in the night Come away with me And i will write you a song

Come away with me on a bus Come away where they can't tempt us With their lies

I want to walk with you
On a cloudy day
In fields where the yellow grass grows knee-high
So won't you try to come

Come away with me and we'll kiss On a mountaintop Come away with me And i'll never stop loving you

<long instruments>

And i want to wake up with the rain Falling on a tin roof
While i'm safe there in your arms
So all i ask is for you
To come away with me in the night
Come away with me
