

Love Is Gonna Get Cha – Novecento

Trouble on the corner
Where we often go
Maybe it's a wind
That's blowing in the night
People saying you're afraid
To make a show
Moving in the open
Not by candlelight
Baby it can be cold
Living a love, one sided affair
Lonely or so I'm told
It's not right
It's not right
Love is gonna get cha
Get outta the way
Love is gonna get cha
Catch you then forget ya
Love is gonna get cha
Destroying your heart
Love is gonna get cha
Catch you then forget ya
Better if you
Never make another move
Surely you don't need to know
The reason why
Playing in the game of fire
You're left to lose
Pack up all your things
It's time to say goodbye
Baby it can be cold
Living a love, one sided affair
Lonely or so I'm told
It's not right
It's not right
Love is gonna get cha
Get outta the way

Love is gonna get cha
Catch you then forget ya
Love is gonna get cha
Destroying your heart
Love is gonna get cha
Catch you then forget ya
Love is gonna get cha...
Love is gonna get cha...
Love is gonna get cha
Get outta the way
Love is gonna get cha
Catch you then forget ya
Love is gonna get cha
Destroying your heart
Love is gonna get cha
Catch you then forget ya
