

Champagne Supernova – Oasis

How many special people change?
How many lives are living strange?
Where were you while we were getting high?
Slowly walking down the hall
Faster than a cannonball
Where were you while we were getting high?
Someday you will find me
Caught beneath the landslide
In a champagne supernova in the Sky
Some day you will find me
Caught beneath the landslide
In a champagne supernova
A champagne supernova
Wake up the dawn and ask her why
A dreamer dreams she never dies
Wipe that tear away now from your eye
Slowly walking down the hall
Faster than a cannonball
Where were you while we were getting high?
Some day you will find me
Caught beneath the landslide
In a champagne supernova in the sky
Some day you will find me
Caught beneath the landslide
In a champagne supernova
A champagne supernova
'Cause people believe that they're
Gonna get away for the summer
But you and I, we live and die
The world's still spinning round
We don't know why
Why, why, why, why
How many special people change?
How many lives are living strange?
Where were you while we were getting high?
Slowly walking down the hall

Faster than a cannonball
Where were you while we were getting high?
Someday you will find me
Caught beneath the landslide
In a champagne supernova in the sky
Some day you will find me
Caught beneath the landslide
In a champagne supernova
A champagne supernova
'Cause people believe that they're
Gonna get away for the summer
But you and I, we live and die
The world's still spinning round
We don't know why
Why, why, why, why
