

Stop Crying Your Heart Out – Oasis

Hold up

Hold on

Don't be scared

You'll never change what's been and gone

May your smile (may your smile)

Shine on (shine on)

Don't be scared (don't be scared)

Your destiny may keep you warm

'Cause all of the stars are fading away

Just try not to worry,

You'll see them someday

Take what you need, and be on your way

And stop crying your heart out

Get up (get up)

Come on (come on)

Why're you scared? (I'm not scared)

You'll never change what's been and gone

'Cause all of the stars are fading away

Just try not to worry,

You'll see them someday

Take what you need, and be on your way

And stop crying your heart out

'Cause all of the stars are fading away

Just try not to worry,

You'll see them someday

Just take what you need, and be on your way

And stop crying your heart out

We're all of the stars, we're fading away

Just try not to worry, you'll see us someday

Just take what you need, and be on your way

And stop crying your heart out

Stop crying your heart out

Stop crying your heart out

Stop crying your heart out
