Dirty Paws - Of Monsters and Man

Jumping up and down the floor
My head is an animal
And once there was an animal
It had a son that mowed the lawn
The son was an OK guy
They had a pet dragonfly
The dragonfly it ran away
But it came back with a story to say

Her dirty paws and furry coat She ran down the forest slope The forest of talking trees They used to sing about the birds And the bees The bees had declared a war The sky wasn't big enough for them all The birds, they got help from below From dirty paws and the creatures of snow La So for a while, things were cold They were scared down in their holes The forest that once was green Was colored black by those killing machines But she and her furry friends Took down the queen bee and her men And that's how the story goes The story of the beast

With those four dirty paws
