

# Show me – Ofra Haza

Sitting around the table  
Learning the lesson of years  
So far away in heaven  
Someone is shedding a tear  
Nobody knows, nobody knows  
Who will pay, who will stay  
Another day

Show me, show me the light  
Open the door  
Tell me, tell me I'm right  
Show me some more

Dancing around the table  
Watching the candles light up  
Feeling the fire inside me  
Moving my lips to the cup  
Everyone knows, everyone knows  
When they pay, they will stay  
Another day

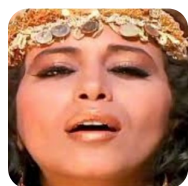

Show me, show me the light  
Open the door  
Tell me, tell me I'm right  
Show me some more

Im en ani li mi li mi li  
Im en ani li mi li mi  
Im en ani li mi li mi li  
Im en ani li mi li mi

Show me, show me the light  
Open the door  
Tell me, tell me I'm right  
Show me some more

Show me, show me the light  
Open the door  
Hold me, hold me so tight  
Leave me no more

Im en ani li mi li mi li  
Im en ani li mi li mi  
Im en ani li mi li mi li  
Im en ani li mi li mi
