

Man I need – Olivia Dean

Talk to me, talk to me
Talk to me, talk to me
Hm
Looks like we're making up for lost time
Need you to spell it out for me
Bossa Nova on all night
It's like a type of alchemy
Introduce me to your best friend
I can come and slot right in
A satellite ain't even that far
I, I kinda wonder where you are
Already know I can't leave it alone
You're on my mind, mm
Already gave you the time and the place
So, don't be shy
Just come be the man I need
Tell me you got something to give, I want it
I kinda like it when you call me wonderful
Whatever the type of talk it is, come on then
I gotta know
You're meant to be the man I need
Talk to me
Talk to me
Mm, talk to me, talk to me
Be the man that I need, baby
Talk to me, talk to me
Be the man that I need, need, need
Mm, talk to me, talk to me
Be the man that I need, baby
Talk to me, talk to me
Be the man, man, man, man, man
I'd like to think you feel the same way
But I can't tell with you sometimes
So, baby, let's get on the same page
Stop making me read between the lines
Already know I can't leave it alone

You're on my mind, mm
Already gave you the time and the place
So, don't be shy
Just come be the man I need
Tell me you got something to give, I want it
I kinda like it when you call me wonderful
Whatever the type of talk it is, come on then
I gotta know
You're meant to be the man I need
Talk to me, talk to me
Talk to me, talk to me
Mm, talk to me, talk to me
Be the man that I need, baby (be the man)
Talk to me, talk to me
Be the man that I need, need, need
Mm, talk to me, talk to me
Be the man that I need, baby (be the man)
Talk to me, talk to me
Be the man, man, man, man, man
Mm
Mm-mm, mm-mm, mm
Mm-mm, mm
Mm-mm, mm-mm, mm-mm, mm-mm, mm
