

So Easy (To Fall In Love) – Olivia Dean

I could be the twist
The one to make you stop
The icing on your cake
The cherry on the top
There's Heaven in my heart
And we could find you some space

Mhmm

I could be the world to you
The missing piece
The extra sentimental
Kind of chemistry
Some people make it hard
With me, that isn't the case

'Cause I make it
So easy to fall in love
So, come give me a call
And we'll fall into us
I'm the perfect mix of
Saturday night
And the rest of your life
Anyone with a heart would agree
It's so easy
To fall in love with

The way I do my hair
The way I make you laugh
The way we like to share
A walk in Central Park
I could be fresh air
Might be the girl of your dreams
There's no need to hide
If you're into me
'Cause I'm into you
Quite intimately
And maybe one night

Could turn into three
Well, I'm down to see

'Cause I make it
So easy to fall in love
So, come give me a call
And we'll fall into us
I'm the perfect mix of
Saturday night
And the rest of your life
Anyone with a heart would agree
It's so easy
To fall in love with me

Me
Me
Me
It's so easy
It's so easy
It's so easy
Ye-yeah

'Cause I make it
So easy to fall in love
So, come give me a call
And we'll fall into us
I'm the perfect mix of
Saturday night
And the rest of your life
Anyone with a heart would agree
It's so easy
To fall in love with me
