

# Driver's License – Olivia Rodrigo

I got my driver's license last week  
Just like we always talked about  
'Cause you were so excited for me  
To finally drive up to your house  
But today I drove through the suburbs  
Crying 'cause you weren't around

And you're probably with that blonde boy  
Who always made me doubt  
He's so much older than me  
He's everything I'm insecure about  
Yeah, today I drove through the suburbs  
Cause how could I ever love someone else?

And I know we weren't perfect  
But I've never felt this way for no one  
And I just can't imagine  
How you could be so okay now that I'm gone  
Guess you didn't mean what you wrote in that song about me  
Cause you said forever, now I drive alone past your street

And all my friends are tired  
Of hearing how much I miss you, but  
I kinda feel sorry for them  
'Cause they'll never know you the way that I do, yeah  
Today I drove through the suburbs  
And pictured I was driving home to you

And I know we weren't perfect  
But I've never felt this way for no one, oh  
And I just can't imagine  
How you could be so okay now that I'm gone  
I guess you didn't mean  
What you wrote in that song about me  
Cause you said forever, now I drive alone past your street

Red lights, stop signs  
I still see your face in the white cars, front yards  
Can't drive past the places we used to go to  
'Cause I still fuckin' love you, babe (Ooh, ooh-oo)  
Sidewalks we crossed  
I still hear your voice in the traffic, we're laughing  
Over all the noise  
God, I'm so blue, know we're through  
But I still fuckin' love you, babe (Ooh, ooh-oo, ooh)

I know we weren't perfect  
But I've never felt this way for no one  
And I just can't imagine  
How you could be so okay now that I'm gone  
Guess you didn't mean what you wrote in that song about me  
Cause you said forever, now I drive alone past your street
