

Drivers license – Olivia Rodrigo

I got my driver's license last week
Just like we always talked about
'Cause you were so excited for me
To finally drive up to your house
But today I drove through the suburbs
Crying 'cause you weren't around
And you're probably with
That blonde girl
Who always made me doubt
She's so much older than me
She's everything I'm insecure about
Yeah, today I drove through
The suburbs
'Cause how could I ever love
Someone else?
And I know we weren't perfect
But I've never felt this way for no one
And I just can't imagine
How you could be so okay
Now that I'm gone
Guess you didn't mean what you
Wrote in that song about me
'Cause you said forever, now I drive
Alone past your street
And all my friends are tired
Of hearing how much I miss you, but
I kinda feel sorry for them
'Cause they'll never know you
The way that I do, yeah
Today I drove through the suburbs
And pictured I was driving home to you
And I know we weren't perfect
But I've never felt this way for no one
Oooh, and I just can't imagine
How you could be so okay
Now that I'm gone

I guess you didn't mean what you
Wrote in that song about me
'Cause you said forever, now I drive
Alone past your street
Red lights, stop signs
I still see your face in the white cars,
Front yards
Can't drive past the places
We used to go to
'Cause you know I still love you, babe
Uuuuuuuuu
Sidewalks we crossed
I still hear your voice in the traffic,
We're laughing
Over all the noise
God, I'm so blue, know we're through
But you know I still love you, babe
Uuuuuuuuu
I know we weren't perfect
But I've never felt this way for no one
And I just can't imagine
How you could be so okay
Now that I'm gone
Guess you didn't mean what you
Wrote in that song about me
'Cause you said forever, now I drive
Alone past your street
Yeah, you said forever, now I drive
Alone past your street
