## Drivers license - Olivia Rodrigo

I got my driver's license last week Just like we always talked about 'Cause you were so excited for me To finally drive up to your house But today I drove through the suburbs Crying 'cause you weren't around And you're probably with That blonde girl Who always made me doubt She's so much older than me She's everything I'm insecure about Yeah, today I drove through The suburbs 'Cause how could I ever love Someone else? And I know we weren't perfect But I've never felt this way for no one And I just can't imagine How you could be so okay Now that I'm gone Guess you didn't mean what you Wrote in that song about me 'Cause you said forever, now I drive Alone past your street And all my friends are tired Of hearing how much I miss you, but I kinda feel sorry for them 'Cause they'll never know you The way that I do, yeah Today I drove through the suburbs And pictured I was driving home to you And I know we weren't perfect But I've never felt this way for no one Oooh, and I just can't imagine How you could be so okay Now that I'm gone

I guess you didn't mean what you Wrote in that song about me 'Cause you said forever, now I drive Alone past your street Red lights, stop signs I still see your face in the white cars, Front yards Can't drive past the places We used to go to 'Cause you know I still love you, babe Uuuuuuuu Sidewalks we crossed I still hear your voice in the traffic, We're laughing Over all the noise God, I'm so blue, know we're through But you know I still love you, babe Uuuuuuuu I know we weren't perfect But I've never felt this way for no one And I just can't imagine How you could be so okay Now that I'm gone Guess you didn't mean what you Wrote in that song about me 'Cause you said forever, now I drive Alone past your street Yeah, you said forever, now I drive Alone past your street
