UP! – Olly Murs, ft. Demi Lovato

I drew a broken heart Right on your window pane Waited for your reply Here in the pouring rain Just breathe against the glass Leave me some kind of sign I know the hurt won't pass, yeah Just tell me it's not the end of the line Iust tell me it's not the end of the line I never meant to break your heart Now I won't let this plane go down I never meant to make you cry I'll do what it takes to make this fly, oh You gotta hold on Hold on to what you're feeling That feeling is the best thing The best thing, alright I'm gonna place my bet on us I know this love is heading in the same direction That's up You drew a question mark But you know what I want I wanna turn the clock, yeah Right back to where it was So let's build a bridge, yeah From your side to mine I'll be the one to cross over Just tell me it's not the end of the line Just tell me it's not the end of the line I never meant to break your heart Now I won't let this plane go down I never meant to make you cry I'll do what it takes to make this fly, oh You gotta hold on Hold on to what you're feeling That feeling is the best thing

The best thing, alright I'm gonna place my bet on us I know this love is heading in the same direction That's up Girl, I know we could climb back to where we were then Feel it here in my heart Put my heart in your hand Well, I hope and I pray that you do understand If you did, all you have to say is Yeah, yeah, yeah, yeah Yeah, yeah, yeah, yeah Yeah, yeah, yeah, yeah I'm waiting for you Yeah, yeah, yeah, yeah Yeah, yeah, yeah, yeah Yeah, yeah, yeah, yeah I never meant to break your heart Now I won't let this plane go down (let this plane go down) I never meant to make you cry I'll do what it takes to make this fly, oh You gotta hold on Hold on to what you're feeling That feeling is the best thing The best thing, alright I'm gonna place my bet on us I know this love is heading in the same direction

That's up!
