

# Little Things – One Direction

Your hand fits in mine  
Like it's made just for me  
But bear this in mind  
It was meant to be  
And I'm joining up the dots  
With the freckles on your cheeks  
And it all makes sense to me  
I know you've never loved  
The crinkles by your eyes  
When you smile  
You've never loved  
Your stomach or your thighs  
The dimples in your back  
At the bottom of your spine  
But I'll love them endlessly  
I won't let these little things  
Slip out of my mouth  
But if it's true  
It's you  
Oh it's you  
They add up to  
I'm in love with you  
And all these little things  
You can't go to bed  
Without a cup of tea  
And maybe that's the reason  
That you talk in your sleep  
And all those conversation  
Are the secrets that I keep  
Though it makes no sense to me  
I know you've never loved  
the sound of your voice on tape  
You never want  
to know how much you weigh  
You still have to squeeze  
into your jeans

But you're perfect to me  
I won't let these little things  
Slip out of my mouth  
But if it's true  
It's you  
It's you  
They add up to  
I'm in love with you  
And all these little things  
You'll never love yourself  
Half as much as I love you  
You'll never treat yourself right darlin'  
But I want you to  
If I let you know  
I'm here for you  
Maybe you'll love yourself like I  
love you  
Ooh  
I've just let these little things  
Slip out of my mouth  
Because it's you  
Oh it's you  
It's you  
They add up to  
And I'm in love with you  
And all these little things  
I won't let these little things  
Slip out of my mouth  
But if it's true  
It's you  
It's you  
They add up to  
I'm in love with you  
And all your little things
