

All The Right Moves – OneRepublic

All the right friends in all the right places
So yeah, we're going down
They've got all the right moves in all the right faces
So yeah, we're going down

Let's paint the picture of a perfect place
They've got it better than what anyone's told you
They'll be the King of Hearts and you the Queen of Spades
Then we'll fight for you like we were your soldiers

I know we've got it good
But they've got it made
And the grass is getting greener each day
I know things are looking up
But soon they'll take us down
Before anybody's knowing our name

They've got all the right friends in all the right places
So yeah, we're going down
They've got all the right moves in the all the right faces
So yeah, we're going down
They said,
Everybody knows, everybody knows where we're going
Yeah, we're going down
They said,
Everybody knows, everybody knows where we're going
Yeah, we're going down

Do you think I'm special?
Do you think I'm nice?
Am I bright enough to shine in your spaces?
Between the noise you hear
And the sounds you like
Are we just sinking in the ocean of faces?

It can't be possible the rain can fall,

Only when it's over our heads
The sun is shining everyday, but it's far away
Over the world that's dead

They've got,
They've got
All the right friends in the all the right places
So yeah, we're going down
They've got all the right moves in the all the right faces
So yeah, we're going down

They said,
Everybody knows, everybody knows where we're going
Yeah, we're going down
They said,
Everybody knows, everybody knows where we're going

Yeah, we're going down

It don't matter what you see
I know I could never be
Someone that'll look like you
It don't matter what you say
I know I could never fake
Someone that could sound like you

All the right friends in the all the right places
So yeah, we're going down
They've got all the right moves in the all the right faces
So yeah, we're going down

All the right friends in the all the right places
So yeah, we're going down
They've got all the right moves in the all the right faces
So yeah, we're going down

They said,
Everybody knows everybody knows where we're going
Yeah we're going down
They said,

Everybody knows everybody knows where we're going
Yeah we're going down

Yeah we're going down
Yeah we're going down

All the right moves, hey
Yeah, we're going down
All the right moves, hey
Yeah, we're going down
