

Secrets – OneRepublic

I need another story
Something to get off my chest
My life gets kinda boring
Need something that I can confess
Til' all my sleeves are stained red
From all the truth that I've said
Come by it honestly I swear
Thought you saw me wink, no
I've been on the brink, so

Tell me what you want to hear
Something that will light those ears
Sick of all the insincere
I'm gonna give all my secrets away
This time, don't need another perfect lie
Don't care if critics ever jump in line
I'm gonna give all my secrets away

My God, amazing how we got this far
It's like we're chasing all those stars
Who's driving shiny big black cars
And everyday I see the news
All the problems that we could solve
And when a situation rises
Just write it into an album
Send it straight to gold
I don't really like my flow, no, so

Tell me what you want to hear
Something that are like those years
Sick of all the insincere
I'm gonna give all my secrets away
This time, don't need another perfect lie
Don't care if critics never jump in line
I'm gonna give all my secrets away

Oh, got no reason, got no shame
Got no family I can't blame
Just don't let me disappear
I'mma tell you everything

So tell me what you want to hear
Something that'll light those ears
Sick of all the insincere
I'm gonna give all my secrets away
This time, don't need another perfect lie
Don't care if critics never jump in line
I'm gonna give all my secrets away

So tell me what you want to hear
Something that delight those ears
Sick of all the insincere
I'm gonna give all my secrets away
This time, don't need another perfect lie
Don't care if critics ever jump in line
I'm gonna give all my secrets away
All my secrets away, all my secrets away
