Secrets – OneRepublic

I need another story Something to get off my chest My life gets kinda boring Need something that I can confess Til' all my sleeves are stained red From all the truth that I've said Come by it honestly I swear Thought you saw me wink, no I've been on the brink, so

Tell me what you want to hear Something that will light those ears Sick of all the insincere I'm gonna give all my secrets away This time, don't need another perfect lie Don't care if critics ever jump in line I'm gonna give all my secrets away

My God, amazing how we got this far It's like we're chasing all those stars Who's driving shiny big black cars And everyday I see the news All the problems that we could solve And when a situation rises Just write it into an album Send it straight to gold I don't really like my flow, no, so

Tell me what you want to hear Something that are like those years Sick of all the insincere I'm gonna give all my secrets away This time, don't need another perfect lie Don't care if critics never jump in line I'm gonna give all my secrets away Oh, got no reason, got no shame Got no family I can't blame Just don't let me disappear I'mma tell you everything

So tell me what you want to hear Something that'll light those ears Sick of all the insincere I'm gonna give all my secrets away This time, don't need another perfect lie Don't care if critics never jump in line I'm gonna give all my secrets away

So tell me what you want to hear Something that delight those ears Sick of all the insincere I'm gonna give all my secrets away This time, don't need another perfect lie Don't care if critics ever jump in line I'm gonna give all my secrets away All my secrets away, all my secrets away
