

It's Quiet Uptown – Original Broadway Cast of Hamilton

There are moments that the words don't reach
There is suffering too terrible to name
You hold your child as tight as you can
And push away the unimaginable
The moments when you're in so deep
It feels easier to just swim down
The Hamiltons move uptown
And learn to live with the unimaginable
I spend hours in the garden
I walk alone to the store
And it's quiet uptown
I never liked the quiet before
I take the children to church on Sunday
A sign of the cross at the door
And I pray
That never used to happen before
If you see him in the street
Walking by himself, talking to himself,
Have pity
Philip, you would like it uptown,
It's quiet uptown
He is working through the unimaginable
His hair has gone grey
He passes every day
They say he walks the length of the city
You knock me out, I fall apart
Can you imagine?
Look at where we are
Look at where we started
I know I don't deserve you, Eliza
But hear me out
That would be enough
If I could spare his life
If I could trade his life for mine
He'd be standing here right now

And you would smile and that would be enough
I don't pretend to know
The challenges we're facing
I know there's no replacing what we've lost
And you need time
But I'm not afraid
I know who I married
Just let me stay here by your side
That would be enough
If you see him in the street
Walking by her side, talking by her side,
Have pity
Eliza, do you like it uptown?
It's quiet uptown
He is trying to do the unimaginable
See them walking in the park, long after dark
Taking in the sights of the city
Look around, look around, Eliza
They are tryna do the unimaginable
There are moments that the words don't reach
There's a grace too powerful to name
We push away what we can never understand
We push away the unimaginable
They are standing in the garden
Alexander by Eliza's side
She takes his hand
It's quiet uptown
Forgiveness, can you imagine?
Forgiveness, can you imagine?
If you see him in the street
Walking by her side, talking by her side,
Have pity
They are going through the unimaginable
