

# Fireflies – Owl City

You would not believe your eyes  
If ten million fireflies  
Lit up the world as  
I fell asleep  
Cause they fill the open air  
And leave teardrops everywhere  
You'd think me rude, but  
I Would just stand and stare

I'd like to make myself believe  
That planet Earth turns slowly  
It's hard to say that  
I'd Rather stay awake when I'm asleep,  
Cause everything is never as it seems

Cause I'd get a thousand hugs  
From ten thousand lightening bugs  
As they tried to teach me how to dance  
A foxtrot above my head,  
A sock-hop beneath my bed,  
The disco ball is just hanging by a thread

I'd like to make myself believe  
That planet Earth turns slowly  
It's hard to say that  
I'd Rather stay awake when  
I'm asleep, Cause everything is never as it seems  
Leave my door open just a crack  
(Please take me away from here)  
Cause I feel like such an insomniac  
(Please take me away from here)  
Why do I tire of counting sheep?  
(Please take me away from here)  
When I'm far too tired to fall asleep  
To ten million fireflies  
I'm weird, cause I hate goodbyes

I got misty eyes as they said farewell  
But I'll know where several are  
If my dreams get real bizarre  
Cause I saved a few,  
And I keep them in a jar

I'd like to make myself believe  
That planet Earth turns slowly  
It's hard to say that I'd  
Rather stay awake when I'm asleep,  
Cause everything is never as it seems  
(When I fall asleep)

I'd like to make myself believe  
That planet Earth turns slowly  
It's hard to say that I'd  
Rather stay awake when I'm asleep,  
Cause everything is never as it seems  
(When I fall asleep)

I'd like to make myself believe  
That planet Earth turns slowly  
It's hard to say that I'd  
Rather stay awake when I'm asleep  
Because my dreams are bursting at the seams
