

Fireflies – Owl City

You would not believe your eyes
If ten million fireflies
Lit up the world as
I fell asleep
Cause they fill the open air
And leave teardrops everywhere
You'd think me rude, but
I Would just stand and stare

I'd like to make myself believe
That planet Earth turns slowly
It's hard to say that
I'd Rather stay awake when I'm asleep,
Cause everything is never as it seems

Cause I'd get a thousand hugs
From ten thousand lightening bugs
As they tried to teach me how to dance
A foxtrot above my head,
A sock-hop beneath my bed,
The disco ball is just hanging by a thread

I'd like to make myself believe
That planet Earth turns slowly
It's hard to say that
I'd Rather stay awake when
I'm asleep, Cause everything is never as it seems
Leave my door open just a crack
(Please take me away from here)
Cause I feel like such an insomniac
(Please take me away from here)
Why do I tire of counting sheep?
(Please take me away from here)
When I'm far too tired to fall asleep
To ten million fireflies
I'm weird, cause I hate goodbyes

I got misty eyes as they said farewell
But I'll know where several are
If my dreams get real bizarre
Cause I saved a few,
And I keep them in a jar

I'd like to make myself believe
That planet Earth turns slowly
It's hard to say that I'd
Rather stay awake when I'm asleep,
Cause everything is never as it seems
(When I fall asleep)

I'd like to make myself believe
That planet Earth turns slowly
It's hard to say that I'd
Rather stay awake when I'm asleep,
Cause everything is never as it seems
(When I fall asleep)

I'd like to make myself believe
That planet Earth turns slowly
It's hard to say that I'd
Rather stay awake when I'm asleep
Because my dreams are bursting at the seams
