

No more tears – Ozzy Osbourne

The light in the window
Is a crack in the sky
A stairway to darkness
In the blink of an eye
A levee of tears to learn
She'll never be coming back
The man in the dark
Will bring another attack
Your momma told you that you're not
Supposed to talk to strangers
Look in the mirror, tell me,
Do you think you life's in danger
Yeah?
No more tears (Tears, tears)
No more tears (Tears, tears)
No more tears (Tears, tears)
No more tears (Tears, tears)
Another day passes
As the night closes in
The red light goes on to
Say it's time to begin
I see the man around the corner
Waiting, can he see me?
I close my eyes and wait to hear
The sound of someone screaming here
No more tears (Tears, tears)
No more tears (Tears, tears)
No more tears (Tears, tears)
No more tears (Tears, tears)
It's just a sign of the times
Going forward in reverse
Still, he who laughs last
Is just a hand in the bush
So now that it's over,
Can we just say goodbye? (I'd like, I'd like)
I'd like to move on

And make the most of the night
Maybe a kiss before
I leave you this way
Your lips are so cold,
I don't know what else to say
I never wanted it to end this way,
My love, my darling
Believe me when I say to you in love,
I think I'm falling here
No more tears (Tears, tears)
No more tears (Tears, tears)
No more tears (Tears, tears)
No more tears (Tears, tears)
