

# Padam Padam – Kylie Minogue

You look like fun to me  
You look a little like somebody I know  
And I can tell you how this ends  
I'll be in your head all weekend  
Shivers and butterflies  
I get the shivers when I look into  
Your eyes  
And I can tell that you're all in  
'Cause I can hear your heart beatin'  
Padam  
Padam  
Padam, padam  
I hear it and I know  
Padam, padam  
I know you wanna take me home  
Padam  
And get to know me close  
Padam, Padam  
When your heart goes  
Padam,  
Padam  
I hear it and I know  
Padam, padam  
I know you wanna take me home  
Padam  
And take off all my clothes  
Padam, padam  
When your heart goes  
Padam  
This place is crowdin' up  
I think it's time for you  
To take me out this club  
And we don't need to use our words  
Wanna see what's underneath that T-shirt  
Shivers and cold champagne  
I get the shivers every time you say my name

And I can tell that you're all in  
'Cause I can hear your heart beatin'  
'Cause I can hear your heart beatin'  
Padam, padam  
I hear it and I know  
Padam, padam  
I know you wanna take me home  
Padam  
And get to know me close  
Padam, padam  
When your heart goes  
Padam,  
Padam  
I hear it and I know  
Padam, padam  
I know you wanna take me home  
Padam  
And take off all my clothes  
Padam, padam  
When your heart goes  
Padam
