

# Only Love Can Hurt Like This – Paloma Faith

I tell myself you don't mean a thing,  
But what we got cannot hold on me?  
But when you're not there I just crumble  
I tell myself that I don't care that much,  
But I feel like I'm dying till I feel your touch  
Only love, only love can hurt like this,  
Only love can hurt like this  
Must have been a deadly kiss  
Only love can hurt like this,  
Say I wouldn't care if you walked away,  
But everytime you're there I'm begging you to stay,  
When you come close I just tremble  
And everytime, everytime you go,  
It's like a knife that cuts right through my soul,  
Only love, only love can hurt like this  
Only love can hurt like this,  
Must have been a deadly kiss,  
Only love can hurt like this,  
Only love can hurt like this,  
Your kisses burning to my skin,  
Only love can hurt like this  
But if the sweetest pain  
Burning heart through my veins,  
Love is torture makes me more sure,  
Only love can hurt like this,  
Only love can hurt like this,  
Must have been the deadly kiss,  
Only love can hurt like this,  
Only love can hurt like this,  
Your kisses burning to my skin,  
Only love can hurt like this  
Save me, save me  
Only love, only love  
Cause only love can hurt like this,  
And it must have been the deadly kiss
