Getting away with murder - Papa Roach

Somewhere beyond happiness and sadness

I need to calculate

What creates my own madness

And I'm addicted to your punishments

And you're the master

And I am waiting for disaster

I feel irrational

So confrontational

To tell the truth I am

Getting away with murder

It is impossible

To never tell the truth

But the reality is

I'm getting away with murder

(Getting away, getting away, getting away)

I drink my drink and I don't even want to

I think my thoughts when I don't even need to

I never look back 'cause I don't even want to

And I don't need to

Because I'm getting away with murder

I feel irrational

So confrontational

To tell the truth I am

Getting away with murder

It is impossible

To never tell the truth

But the reality is

I'm getting away with murder

(Getting away, getting away,

Getting away, getting away)

(Getting away, getting away,

Getting away, getting away,

Getting away with murder)

Somewhere beyond happiness and sadness

I need to calculate

What creates my own madness

And I'm addicted to your punishments

And you're the master

And I'm craving this disaster

I feel irrational

So confrontational

To tell the truth I am

Getting away with murder

It is impossible

To never tell the truth

But the reality is

I'm getting away with murder

(Getting away, getting away, getting away)

I feel irrational

So confrontational

To tell the truth I am

Getting away with murder

It is impossible

To never tell the truth

But the reality is

I'm getting away with murder
