

# As I Die – Paradise Lost

(As I Die,

As I Die,

As I Die,

As I Die,

As I Die,

As I Die,

As I Die)

As I Die!

Stare

As eyes uphold me

And wait to see right through

And curse me

The love has crippled you

Shadows haunt the night

Burning my disguise

(As I Die,

As I Die,

As I Die,

As I Die,

As I Die,

As I Die,

As I Die)

As I Die!

Reaping through the truth

Life becomes untrue

Sin

The last diversion

My fate will be untouched

Dismissed now

The anger of a fool

Shadows haunt the night

Forgive me as I die

Taking a chance

And take what you gain

My soul it has no price

Total release is out of harms way

Until I can decide  
You punish me, can't you see  
I'm not real  
Tears are flowing free  
Passing by  
As I Die!
