

# Deep – Paradise Lost

(Things here are little difficult)  
This Jesus Christ  
Living life today  
When tomorrow brings  
This trail of desperate thoughts  
Living so afraid  
When tomorrow brings  
This trail of simple thoughts  
Give in for one day  
Face the absolute  
That things won't go your way  
I cannot overstate  
The problems you have caused  
When they all seem to be  
Much deeper than before  
Living for today  
When tomorrow brings  
This trail of damaged thoughts  
Living for today  
Until the afternoon reactions  
Take their course  
I cannot overstate  
The problems you have caused  
When they all seem to be  
Much deeper than before  
(Than before)  
(Things here are little difficult)  
Anger so deep  
And anger so alive  
Anger so deep  
And anger so alive  
This Jesus Christ  
I cannot overstate  
The problems you have caused  
When they all seem to be  
Much deeper than before

I cannot overstate  
The problems you have caused  
When they all seem to be  
Much deeper than before  
(Than before)  
This Jesus Christ
