Missing – Paradise Lost

I step off the train I'm walkin' down your street again And pass your door But you don't live there anymore It's years since you've been there But now you've disappeared somewhere Like outer space You've found some better place And I miss you Like the deserts miss the rain And I miss you Like the deserts miss the rain Could you be dead? You always were two steps ahead Of everyone We'd walk behind while you would run I look up at your house I can almost hear you shout Down to me Where I always used to be I step off the train I'm walkin' down your street again And pass your door But you don't live there anymore It's years since you've been there But now you've disappeared somewhere Like outer space You've found some better place And I miss you And I miss you Like the deserts miss the rain And I miss you Like the deserts miss the rain And I miss you (Like the deserts miss the rain)

Like the deserts miss the rain

And I miss you (Like the deserts miss the rain) Like the deserts miss the rain (The rain)
