So much is lost - Paradise Lost

What this seems to be What this seems to be, is real All of my life is changing You're the enemy You're the enemy, I fear All of my life is changing, Always some rearranging So much is lost, So much disharmony So much is lost, No voice of sympathy My identity My identity, is not real All of my life is changing All of my lies you're facing So much is lost, So much disharmony So much is lost, No voice of sympathy What this seems to be What this seems to be, is real All of my life seems wasted All of my life seems wasted So much is lost, So much disharmony So much is lost, No voice of sympathy So much is lost, So much disharmony So much is lost,

No voice of sympathy
