We belong - Pat Benatar

Many times I tried to tell you Many times I cried alone Always I'm surprised how well you cut My feelings to the bone Don't want to leave you really I've invested too much time to give you Up that easy To the doubts that complicate your mind We belong to the light, we belong To the thunder We belong to the sound of the Words we've both fallen under Whatever we deny or embrace for worse Or for better We belong, we belong together Maybe it's a sign of weakness when I don't know what to say Maybe I just wouldn't know what To do with my strength anyway Have we become a habit? Do we distort The facts? Now there's no looking forward Now there's no turning back When you say We belong to the light, we belong To the thunder We belong to the sound of the Words we've both fallen under Whatever we deny or embrace for Worse or for better We belong, we belong together Close your eyes and try to sleep now Close your eyes and try to dream Clear your mind and do your best To try and wash the palette clean

We can't begin to know it, how much

We really care I hear your voice inside me, I see your face everywhere Still you say We belong to the light, we belong To the thunder We belong to the sound of the Words we've both fallen under Whatever we deny or embrace for Worse or for better We belong, we belong together We belong to the light, we belong To the thunder We belong to the sound of the Words we've both fallen under Whatever we deny or embrace for worse Or for better We belong, we belong together We belong to the light, we belong To the thunder
