Stir It Up - Patti Labelle & Joss Stone

GO! GO! GO! COME ON! GO! GO! Yeeey! OOOHHH! I can't sit here while I go nowhere Chase my dreams through the polluted air Walking on a wire, running out of time There's no room in this ol' heart of mine Bill collectors waiting down the hall Neighbors scream and crack the bedroom wall Nerves jump off the pavement, Passion hits the street Angels cookin' in the city heat World's too crazy, I can't take no more I won't stay here locked behind the door Baby, stir it up, got to break it up now When I think about tomorrow, Ooh, I can't wait to Stir it, got to shake it up now If I have to beg or borrow, I'm not gonna take it anymore, 3 2 Hungry minds do stare you in the eyes Spread it thick and lay the biggest lies Don't say what you feel, Must play hard to get All those time bombs tickin' in your head So much pressure to keep holdin' on Pack my clothes up, baby, I'll be gone I've got to stir it up, Got to break it up now When I think about tomorrow,

Ooh, I can't wait to Stir it, got to shake it up now If I have to beg or borrow, I'm not gonna take it anymore SOOL
