

You're my love You're my life – Patty Ryan

Since you were an angel from the sky

You fill my fantasy

The way you look takes me so high

You're everything to me

And all i want is your photograph

How I'm longing for your smile

So come and touch me

Come and feel me

Hear me cry

You're my love (you're my love)

You're my life (you're my life)

Everyday (everyday)

Every night (every night)

Is it right (is it right)

What i feel (what i feel)

How i wish you were for real

You're my love (you're my love)

You're my life (you're my life)

Everyday (everyday)

Every night (every night)

In my dreams (in my dreams)

I'm with you (I'm with you)

Will you make my dreams come true

I'm all alone the night has come

You're in my radio

It's when you sing i feel the sun

Now i can feel the show

Since forevermore you're my destiny

Take my loneliness away

So come and touch me

Come and feel me

Hear me say

You're my love (you're my love)

You're my life (you're my life)

Everyday (everyday)

Every night (every night)

Is it right (is it right)
