

# Live and let die – Paul McCartney

When you were young and your heart  
Was an open book You used to say  
Live and let live You know you did  
You know you did You know you did  
But if this ever-changing world in  
Which we live in Makes you give in  
And cry Say live and let die Live and let  
Die Live and let die Live and let die  
What does it matter to you? When you  
Gotta job to do You gotta do it well  
You gotta give the other fellow hell  
You used to say live and let live  
You know you did You know you did  
You know you did But if this  
Ever-changing world in which we  
Live in Makes you give in and cry Say  
Live and let die
