Come Back and Stay - Paul Young

Since you've been gone

I shut my eyes

And I fantasize

That you're here with me

Will you ever return?

I won't be satisfied

Till you're by my side

Don't wait any longer

Why don't you come back?

Please hurry, Why dont you come back?

Please hurry

Come back and stay for good this time

Come back and stay for good this time

You said goodbye

I was trying to hide

What I felt inside

Untile you passed me by

(Untilnot Untile)

You said you'd return

You said that you'd be mine

Till the end of time

Don't wait any longer!

Why dont you come back?

Please hurry, why don't you come back?

Please hurry

Come back and stay for good this time

Come back and stay for good this time

Since you've been gone

Opened my eyes

And I realize

What we had together

Will you ever return?

I'll have you change your mind

If you won't stay mine

Just love me forever!

Love me forever

Why dont you come back?

Please hurry, why don't you come back?

Please hurry!

Just Come back and stay for good this time

Don't ever leave me
