Garden - Pearl Jam

She don't wander in Don't wander in here, she She don't wander in here Don't wander in here The direction of the eye, so misleading The defection of the soul, nauseously quick I don't question our existence I just question our modern needs She don't wander in Don't wander in here, she She don't wander in here I will walk with my hands bound I will walk with my face blood I will walk with my shadow flag Into your garden, garden of stone, yeah After all is done and we're still alone I won't be taken Yet I'll go with my hands bound I will walk with my face blood I will walk with my shadow flag Into your garden, garden of stone I don't show, I don't share I don't need, yeah What you have to give, yeah Ooo, I will walk with my hands bound I will walk with my face blood I will walk with my shadow flag Into your garden, garden oh I will walk with my hands bound I will walk into your garden, Garden of stone I don't know, I don't care I don't need you for me to live
