

# Of The Girl – Pearl Jam

Oh, he deals 'em off  
Off the top  
Ties 'em off  
Fills it up with his past  
Gets carried away  
Oh, half his life, a hand-me-down  
Wasted away  
Oh, he fills it up  
With the love of a girl  
Oh, he left it alone, drilled the pain  
With money to buy  
How he makes his getaway  
How he makes his getaway  
Oh, he chose a path, heavy the fall  
Quarter to four  
Fills his mind with the thought of a girl  
How he makes his getaway  
How he makes his getaway  
How he makes his getaway  
Getaway
