

# Off He Goes – Pearl Jam

Know a man,  
His face seems pulled and tense  
Like he's riding on a motorbike  
In the strongest winds  
So i approach with tact  
Suggest that he should relax  
But he's always moving much too fast  
Said he'll see me on the flipside  
On this trip he's taken for a ride  
He's been taking too much on  
There he goes with his perfectly  
Unkept clothes  
There he goes  
He's yet to come back  
But I've seen his picture  
It doesn't look the same up on the rack  
We go way back  
I wonder about his insides  
Its like his thoughts are too big  
For his size  
He's been taken  
Where, i don't know?  
Off he goes with his perfectly  
Unkept hope  
And there he goes  
And now i rub my eyes,  
For he has returned  
Seems my preconceptions are what  
Should have been burned  
For he still smiles  
And he's still strong  
Nothing's changed,  
But the surrounding bullshit  
That has grown  
And now he's home  
And we're laughing

Like we always did my same old,  
Same old friend  
Until a quarter-to-ten  
I saw the strain creep in  
He seems distracted  
And i know just what is gonna happen next  
Before his first step  
He's off again
