Fever - Peggy Lee

Never know how much I love you Never know how much I care When you put your arms around me I get a fever that's so hard to bear You give me fever, When you kiss me Fever when you hold me tight Fever In the mornin', a fever all through the night Sun lights up the day time Moon lights up the night I light up when you call my name And you know I'm gonna treat you right You give me fever, When you kiss me Fever when you hold me tight Fever In the mornin' A fever all through the night Everybody's got the fever That is somethin' you all know Fever isn't such a new thing Fever started a long ago Romeo loved Juliet Iuliet she felt the same When he put his arms around her He said, "Julie baby you're my flame" Thou givest fever When we kisseth Fever with thy flaming youth Fever I'm on fire Fever yeah I burn forsooth Captain Smith and Pocahontas Had a very mad affair

When her daddy tried to kill him

She said, "Daddy oh don't you dare" He gives me fever With his kisses Fever when he holds me tight Fever I'm his missus And daddy won't you treat him right? Now you've listened to my story Here's the point that I have made Chicks were born to give you fever Be it fahrenheit or centigrade They give you fever When we kiss them Fever if you live you learn Fever Till you sizzle Oh what a lovely way to burn What a lovely way to burn What a lovely way to burn And what a lovely way to burn
