

# People Help The People – Birdy

God knows what is hiding in those weak and drunken hearts  
I guess you kissed the girls and made them cry  
Those Hardfaced Queens of misadventure  
God knows what is hiding in those weak and sunken eyes  
A Fiery throng of muted angels  
Giving love but getting nothing back oh

People help the people  
And if you're homesick, give me your hand and I'll hold it  
People help the people  
And nothing will drag you down  
Oh and if I had a brain, Oh and if I had a brain  
I'd be cold as a stone and rich as the fool  
That turned all those good hearts away

God knows what is hiding in this world of little consequence  
Behind the tears, inside the lies  
A thousand slowly dying sunsets  
God knows what is hiding in those weak and drunken hearts  
I guess the loneliness came knocking  
No one needs to be alone, oh save me

People help the people  
And if you're homesick, give me your hand and I'll hold it  
People help the people  
Nothing will drag you down  
Oh and if I had a brain, Oh and if I had a brain  
I'd be cold as a stone and rich as the fool  
That turned, all those good hearts away

Na na na na na  
Uuuuuu  
Na na na na na  
Uuuuuu

People help the people

And if you're homesick, give me your hand and I'll hold it  
People help the people  
Nothing will drag you down  
Oh and if I had a brain, Oh and if I had a brain  
I'd be cold as a stone and rich as the fool  
That turned all those good hearts away
