

Mysterious Girl – Peter Andre

I stop and stare at you walking to the shore
I try to concentrate my mind wants to explore
The tropical scent of
You takes me up above
And girl when I look at you Oh I fall in love
No doubt you look so fine
Girl I wanna make you mine
I want to be with a woman just like you
No doubt I'm the only man
Who can love you like I can
So just let me be with
The woman that I love
Babygirl shine like a looking glass
Oh, oh, oh, oh, oh, mysterious girl
I wanna get close to you
Oh, oh, oh, oh, oh, mysterious girl
Move your body close to mine
Girl you are mi heart desire
And you alone a set mi soul pan fire
Mi tell them girl you a mi ert
Desire you alonewatch dis
Watching the sun go down
The tide drifting in
We can get closer now
And feel the warmth within
'cause I'm looking in your eyes
Feeling so alive
And girl when you touch me
It's time to take it trough the night
Girl I wanna be with you
I wanna spend the night with you
I need to be with the woman that I love
Girl I wanna do to you
All the things you want me to
Need to be with the woman that I love
Babygirl let your loving release

Oh, oh, oh, oh, oh, mysterious girl

I wanna get close to you

(so close to you my baby)

Oh, oh, oh, oh, oh, mysterious girl

Move your body close to mine

Oh, oh, oh, oh, oh, mysterious girl

I wanna get close to you

(c'mon, c'mon now)

Oh, oh, oh, oh, oh, mysterious girl

move your body close to mine
