

Young Folks – Peter Bjorn And John

If I told you things I did before
Told you how I used to be
Would you go along with someone like me?
If you knew my story word for word
Had all of my history
Would you go along with someone like me?
I did before and had my share
It didn't lead nowhere
I would go along with someone like you
It doesn't matter what you did
Who you were hangin' with
We could stick around and
See this night through
And we don't care about the young folks
Talkin' 'bout the young style
And we don't care about the old folks
Talkin' 'bout the old style too
And we don't care about their own folks
Talkin' 'bout our own style
All we care 'bout is talkin'
Talkin' only me and you
Usually when things has gone this far
People tend to disappear
No one will surprise me unless you do
I can tell there's something goin' on
Hours seems to disappear
Everyone is leavin', I'm still with you
It doesn't matter what we do
Where we are going too
We can stick around and
See this night through
And we don't care about the young folks
Talkin' 'bout the young style
And we don't care about the old folks
Talkin' 'bout the old style too
And we don't care about their own folks

Talkin' 'bout our own style
All we care 'bout is talkin'
Talkin' only me and you
And we don't care about the young folks
Talkin' 'bout the young style
And we don't care about the old folks
Talkin' 'bout the old style too
And we don't care about their own folks
Talkin' 'bout our own style
All we care 'bout is talkin'
Talkin' only me and you
Talkin' only me and you
Talkin' only me and you
Talkin' only me and you
