Red Rain - Peter Gabriel

Red rain is coming down

Red rain

Red rain is pouring down

Pouring down all over me

I am standing up at the water's edge in my dream

I cannot make a single sound as you scream

It can't be that cold, the ground is still warm to touch

Hey we touch, this place is so quiet, sensing that storm

Red rain is coming down

Red rain

Red rain is pouring down

Pouring down all over me

Well I've seen them buried

In a sheltered place in this town

They tell you that this rain can sting, and look down

There is no blood around, see no sign of pain

Hay ay ay no pain

Seeing no red at all, see no rain

Red rain is coming down

Red rain

Red rain is pouring down

Pouring down all over me

Red rain

Ohhhh

OH Ohhhhh

Putting the pressure on much harder now

To return again and again

Just let the red rain splash you

Let the rain fall on your skin

I come to you

Defenses down

With the trust of a child

Oh oh oh

Red rain is coming down

Red rain

Red rain is pouring down

Pouring down all over me And I can't watch any more No more denial It's so hard to lay down In all of this Red rain coming down Red rain is pouring down Red rain is coming down all over me Red rain coming down Red rain is pouring down Red rain is coming down all over me I'm bathing in it Red rain coming down Red rain is falling down Red rain is coming down all over me I'm begging you Red rain coming down Red rain coming down Red rain coming down Red rain coming down Over me in the red red sea Over me Over me

Red rain
