## Nothing Else Matters – PG Roxette

So close, no matter how far Couldn't be much more from the heart Forever trusting who we are And nothing else matters Never opened myself this way Life is ours, we live it our way All these words I don't just say And nothing else matters Never cared for what they do Never cared for what they know But I know Trust I seek and I find in you Every day for us, something new Open mind for a different view And nothing else matters You never cared for what they do (oh-oh) I never cared for what they know But I know Never cared for what they say (no) Never cared for games they play Never cared for what they do Never cared for what they know And I know, yeah! Nothing else matters Nothing else matters Nothing else matters Yeah, yeah Ooh-ooh-ooh Yes, I know I know it Yeah, I know Nothing matters Nothing matters Nothing matters
