Nothing Else Matters - PG Roxette

So close, no matter how far

Couldn't be much more from the heart

Forever trusting who we are

And nothing else matters

Never opened myself this way

Life is ours, we live it our way

All these words I don't just say

And nothing else matters

Never cared for what they do

Never cared for what they know

But I know

Trust I seek and I find in you

Every day for us, something new

Open mind for a different view

And nothing else matters

You never cared for what they do (oh-oh)

I never cared for what they know

But I know

Never cared for what they say (no)

Never cared for games they play

Never cared for what they do

Never cared for what they know

And I know, yeah!

Nothing else matters

Nothing else matters

Nothing else matters

Yeah, yeah

Ooh-ooh-ooh

Yes, I know

I know it

Yeah, I know

Nothing matters

Nothing matters

Nothing matters
