

# Chasing Snowflakes – Phedora

And then the blizzard came  
And killed this spark we had,  
If we had any spark at all  
And I embraced the heat  
And locked it in my hand,  
To write this letter in the snow  
O-o-oh  
If I touch you,  
You'll melt down  
O-o-oh  
So wear this hoarfrost crown  
O-o-oh  
And I know that it's pointless  
But at least I can buy some time  
Chasing snowflakes  
Chasing snowflakes  
Chasing snowflakes  
Chasing snowflakes  
You're like a snowflake,  
Just as fragile as unique,  
I guess we all are, in a way  
But among all of them  
There's one that you don't seek,  
The one that begs to melt away  
O-o-oh  
If I touch you,  
You'll melt down  
O-o-oh  
So wear this hoarfrost crown  
O-o-oh  
And I know that it's pointless  
But at least I can buy some time  
Chasing snowflakes!  
(INSTRUMENTAL)  
(If I catch you now,  
Through the curtains of snow,

Would you melt away  
And just leave me alone?  
I stretch out my arms,  
Let the blizzard come close  
It's the choice I made,  
It's my kingdom gone!)  
O-o-oh  
If I touch you,  
You'll melt down  
O-o-oh  
So wear this hoarfrost crown  
O-o-oh  
And I know that it's pointless  
But at least I can buy some time  
But at least I can buy some time  
Chasing snowflakes  
Chasing snowflakes  
Chasing snowflakes  
Chasing snowflakes  
Chasing snowflakes  
(O-o-oh)  
Chasing snowflakes  
(O-o-oh)  
Chasing snowflakes  
(O-o-oh)  
Chasing snowflakes
