Against all odds - Phil Collins

How can I just let you walk away? Just let you leave without a trace When I stand here taking every breath With you? Ooh, ooh You're the only one who really knew me at all How can you just walk away from me When all I can do is watch you leave? 'Cause we've shared the laughter and the pain And even shared the tears You're the only one who really knew me at all So, take a look at me now Well, there's just an empty space And there's nothin' left here to remind me Just the memory of your face Ooh, take a look at me now Well, there's just an empty space And you comin' back to me is against the odds And that's what I've got to face I wish I could just make you turn around Turn around and see me cry There's so much I need to say to you So many reasons why You're the only one who really knew me at all So, take a look at me now Well, there's just an empty space And there's nothin' left here to remind me Just the memory of your face Now, take a look at me now 'Cause there's just an empty space But to wait for you is all I can do And that's what I've got to face Take a good look at me now 'Cause I'll still be standin' here And you comin' back to me is against all odds It's the chance I've gotta take

Take a look at me now
