

# Love Me Anyway – pink

Even if you see my scars,  
Even if I break your heart  
If we're a million miles apart,  
Do you think you'd walk away?  
If I get lost in all the noise,  
Even if I lose my voice  
Flirt with all the other girls,  
What would you say?  
Could you?  
Could you?  
Could you?  
Could you love me anyway?  
Is it for better or for worse,  
Or am I just your good time boy?  
Can you still hold me when it hurts,  
Or would you walk away?  
Even if I scandalize you,  
Cut you down and criticize you  
Tell a million lies about you,  
What would you say?  
Could you?  
Could you?  
Could you?  
Could you love me anyway?  
Could you? (Aw, could you?)  
Could you? (Could you?)  
Could you?  
Could you love me anyway?  
Could you?  
Could you? (Could you still love me?)  
Could you? (Pick up the pieces of me?)  
Could you? (Could you still love me?)  
Could you love me anyway?  
Could you? (Ooh, could you still love me?)  
Could you? (Pick up the pieces of me?)  
Could you? (Could you still love me?)

Could you love me anyway?  
Could you? (Could you catch me when I fall?)  
Could you? (And we rise above it all)  
Could you? (And hold me when it hurts)  
I can't stay here in the world,  
Could you?  
Could you?  
Could you?  
Could you?
