

# Love me anyway – pink

Even if you see my scars  
Even if I break your heart  
If we're a million miles apart  
Do you think you'd walk away?  
If I get lost in all the noise  
Even if I lose my voice  
Flirt with all the other boys  
What would you say?  
Could you?  
Could you?  
Could you love me anyway?  
Is it for better or for worse  
Or am I just your good time girl?  
Can you still hold me when it hurts  
Or would you walk away?  
Even if I scandalize you  
Cut you down and criticize you  
Tell a million lies about you  
What would you say?  
Could you?  
Could you?  
Could you?  
Could you love me anyway?  
Could you? (Aw, could you?)  
Could you? (Could you?)  
Could you?  
Could you love me anyway?  
Could you?  
Could you? (Could you still love me?)  
Could you? (Pick up the pieces of me?)  
Could you? (Could you still love me?)  
Could you love me anyway?  
Could you? (Ooh, could you still love me?)  
Could you? (Pick up the pieces of me?)  
Could you? (Could you still love me?)  
Could you love me anyway?

Could you? (Could you catch me when I fall?)

Could you? (And we rise above it all)

Could you? (And hold me when it hurts)

Like it's the end of the world

Could you?

Could you?

Could you?

Could you?
