

# This Mess We're In – PJ Harvey

Can you hear them?  
The helicopters?  
I'm in New York  
No need for words now  
We sit in silence  
You look me  
In the eye directly  
You met me  
I think it's Wednesday  
The evening  
The mess we're in and ooohhh  
The city sun sets over me  
Ooohhhh  
The city sun sets over me  
Night and day  
I dream of making love  
To you now, baby  
Love-making  
On-screen  
Impossible dream  
And I have seen  
The sunrise  
Over the river  
The freeway  
Reminding  
Of this mess we're in and ooohh  
The city sun sets over me  
Oooohhh  
The city sun sets over me  
Oohhh  
The city sunset over me  
Ooh  
The city sun sets over me  
What were you wanting?  
(What was it you wanted?)  
I just want to say

(I just want to say)  
(don't ever change)  
Don't ever change now, baby  
And thank you (and thank you)  
I don't think we will meet again  
You must leave now before the  
Sun rises above the skyscrapers  
And the city landscape (before the sunrise)  
Comes into view (above skyscrapers)  
Sweat on my skin, and oh (the sin and)  
This mess we're in oooohhh  
The city sun sets over me  
(Oh) The city sunset over me  
(Oh) The city sun sets over me  
(Oh) The city sun sets over me
