

Over – Platon & Joolay

Find a way to perfect start
Kinda lover-lover
Gonna tear myself apart
Undercover-cover
Try to make me feel again
Like you never did before
Or just burn me like a flame, oh-oh
Not gonna give you up
Not gonna let you down
Gonna ask for more
Take me off the ground, oh
Not gonna give you up
Not gonna let you down
Gonna ask for more
Take me off the ground, oh
Not gonna give you up
Not gonna let you down
Gonna ask for more
Take me off the ground, oh
Not gonna give you up
Not gonna give you up
It's enough, the final game
When we kiss I can't stay sober
Maybe we can fight again
Just don't tell me it's all over
Over, over
Over, over
Over, over
Over, over
It feels better in the dark
And it's glowing, glowing
You're the one who've touched my heart
You're mind blowing, loving
We can never be the same
Like we used to be before
All there's left is to inflame, oh-oh

Are you gonna give me up?
Are you gonna let me down?
Will you ask for more?
Taking off the ground, oh
Are you gonna give me up?
Are you gonna let me down?
Will you ask for more?
Taking off the ground, oh
Are you gonna give me up?
Are you gonna let me down?
Will you ask for more?
Taking off the ground, oh
Are you gonna give me up?
Are you gonna give me up?
It's enough, the final game
When we kiss I can't stay sober
Maybe we can fight again
Just don't tell me it's all over
It's enough, the final game
When we kiss I can't stay sober
Maybe we can fight again
Just don't tell me it's all over
Over, over
Over, over
Over, over
Over, over
Over, over
Over, over
Over, over
Over, over
Over, over
